To whom it may concern,

I have decided to home educate my child beginning on the date listed above. This letter is to serve as written notice of withdrawal from your school.

As I understand it, homeschooling is a legal option under Oklahoma law. Oklahoma laws pertaining to home education include:

- Oklahoma Constitution, Article XIII, Section 4;
- Oklahoma Statutes Suppl. 1993, Title 70, Article X, Section 10-105;
- Attorney's General Opinion No. 73-129

I request that copies of all school records pertaining to my child be prepared for me to keep in my own file. I will contact you concerning a suitable time to pick those up at the school.

Thank you for your attention and consideration in this matter.

Sincerely,

---
